shoulder to shoulder with the rest. It had been the dream of her founders to see Regents being consistent with the rest of the learning fraternity and this has come to pass. Let us now read on to discover the wonder called REGENCY and pledge to be by her always.

Welcome Students

Children rejoined school after the term end on March 7, 2022. Teachers who had eagerly awaited their arrival welcomed them happily and cordially. They had decorated their classrooms and their display boards to usher in the new academic year. The display boards were painstakingly done to depict a topic of the branch of their learning and this would enhance their learning process. Needless to say the children loved the effort and felt the love and concern of their teachers for them.

Keep Calm and Reload! Aim! Shoot Again!! Shooting Competition March 12, 2022
