## Editorial

It gives me great pleasure as we dive back to normalcy after two years of the pandemic. I am really happy and exuberant to acclaim that we are ready with all new hopes and hues to bring out Issue I of Regency Times which is going to surely unfold the unraveled world of the most unforgettable and precious moments of the school. In this edition of Regency Times we have tried to capture the first quarter's excitement, literary and artistic skills of the students, school celebrations and various competitions. I sincerely hope that this edition of Regency Times makes for an interesting read.

**Happy Reading!!**
