The Art of Public Speaking is the art of giving power to words - to influence, inspire and transform lives as it was captured in Blitz 2022, the Inter House Elocution Competition. It gave students a good opportunity to combat with the biggest fear factor i.e.

stage fear.

The competition had twenty-four participants, two from each House representing the three divisions of Group A, Group B and Group C.

Selected pieces of poetry, famous proverbs, general topics of interest were

expressed by the contestants which had women empowerment, beauty of nature, childhood memories, artificial intelligence (AI), cyber security, globalization, 5G network, restoring India and many famous poetries like Road not Taken, Gift of India

etc. These topics were designed carefully, to help students, research and add their own thoughts to make the speech effective and powerful.
