## Professional Development Programme on Subject Teachers As Career Guides.

Institute for Career Studies (ICS) in strategic academic partnership with Amrita Vishwa Vidyapeetham, Coimbatore jointly conducted a Professional Development Programme on "Subject Teachers as Career Guides" in Lemon Tree Hotel, Delhi on July 29 & 30, 2022.

ICS facilitates innovative and creative professional development programmes, workshops and conclaves for school and college teachers to hone and develop deeper

knowledge of their subject, essential teaching learning and guidance-counselling skills.

Two of our faculty members Mr. Yatish Kumar Singh and Mr. Mohd. Imran had the opportunity to be a part of this programme. The training was excellent and a very enriching learning experience for the faculty of Regency Public School. It will in turn help the students to understand interdisciplinary subject needs and facilitate students' choices and right career paths.
