

Hindi Debate

'Spears of Arguments'

Pragya, Hindi Vad -Vivad Pratiyogita August 6, 2022

An Inter-House Hindi Debate Competition was held at Regency Public School, Regal Hall. It is said that every language has its very own strength and power. Power of public speaking enables a child to express his views verbally and coherently.

Four topics were chosen for the four groups which were:

Group A (Class 9)-Modernization has driven out the ordination in the young generation.

Group B (Class 10)-Food System is the main cause of ever increasing global warming. Do we need to bring change in this?

Group C (Class 11) Sources of entertainment have forced people to limit their mobility and remain within the four walls. Give your opinions for or against the topic.

Group D (Class 12) Several social media

platforms. Boon or a curse? Give your views.

The event was graced by the presence of our honourable Chief Guest Dr. Surrendra Vikram (Hindi Head of Department, Lucknow Christian College). The programme began with the honouring of the Chief Guest with flower bouquet and a welcome song. The houses were well prepared and ready to face the challenge. One could actually see the future leaders in the contestants. All the participants were students with equal calibre and potential. Hot cake of this event was the 'Question Round' where the competitors answered each other eloquently and comprehensively.

In the end our honourable President Sir presented a memento to the Chief Guest and appreciated all the participants and the panel of judges with his motivational speech.

Results of the Debate Competition:
