

## Visit to BCM-Bishop Conrad Memorial Hospital

September 22, 2018

A group of students accompanied by their teachers, Mr. S.H. Haidar and Ms. Lovely Singh visited BCM Hospital, Khairabad and met the administrator Sister Praveena. Students presented the administrator, Mr. Ashish Chelayia with harpic, phenyl, dettol, napkins, quinine, carpets, wipers and an AC. They met the patients and enquired about their health and care. Sister explained to them the need for a blood bank and said that blood donation is the greatest donation for it saves the lives of the dying and the wounded. She advised the students to maintain health and hygiene and to try and avert illness. The hospital expressed their appreciation for Regency's humanitarian efforts and kind deeds. The President reiterated that it is Regency's foremost task to make every Regent a good human being. Ms. R. Zaidi, Principal, too repeated that Regency's endeavor is to bring forth students as wholly developed men and women of the future.

## Visit to Private

# NURSING HOMES

October 01, 2018

This time a team of students with their teachers Mr. S. H. Haidar and Ms. Lovely Singh visited a few private clinics and nursing homes. They visited Dr. Joshi's Clinic, Saksham Nursing Home, Sethi Hospital and Krishna Devi Memorial Hospital. The students met and spoke to the patients under the aegis of the doctors present there.

This is now a well known fact that the Regents go on regular visits to see the sick and the ailing, they speak to them and cheer them up. They take necessary articles of daily use for them. They listen to the doctors and try to understand life and its atrocities besides the bright ones. This enables them to comprehend life from a young age and to be strengthen against all odds. The President of the Society was impressed on the fact that a good and enlightened society needs youngsters who are aware of the facts of life. They know and feel the various aspects of life and are prepared. This is why Regency is always ready to move in this direction, to enable young minds to know what life really is all about.
