The Director

Regency Public School, Sitapur

Dear Sir/Madam,

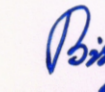

On Behalf of Sitapur Eye Hospital, I would like to thank you and your school children for your good gesture of gifts, grocery and sanitary items to the hospital.

Your support helps us to continue in our mission "To eradicate blindness and provide international Quality Standard eye care to the masses of India at minimal cost, without any distinction for economic state, caste, creed, Sex or religion. Deliver ophthalmic care with love and compassion through a committed team of professionals".

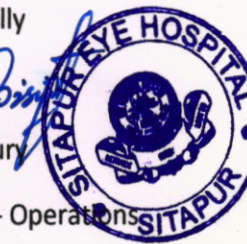

Sitapur Eye Hospital relies on the generosity of donors such as yourself and is grateful for your support.

Thank you once again!!

Yours Faithfully

To,
The Principal
Regency Public School
Sitapur

Dear Sir,

We take this opportunity to thank you and your students who paid a visit to our hospital and encouraged our patients and their family and for giving them hope, good wishes and prayers.

We are indeed happy and appreciate you for the kind gesture, also we thank you for the generosity for contributing one air conditioner for the hospital. May God bless you all.

Thank you all

CORPORATE SOCIAL RESPONSIBILITY

Rafi-Kaneez Memorial Education Society is aware of its responsibility to society and is always eager to help those who are in need. The Society pays visits to hospitals, orphanages and old age homes to meet the inmates, and share with them some moments to lighten their lives. They donate necessary articles to the patients and inmates. It brings smiles and tears to their countenance and they are touched by this gesture of the Regents who represent the Society. They share their sorrows and joys and make their day a blessed one for them. This year too, Regents visited several times the hospitals in and around town, the District Hospital, the Women's District Hospital, Eye Hospital, Private Hospitals, as Saksham Nursing Home, Dr. Joshi's Clinic, Sethi Hospital. They distributed phenyl, dettol, soap, wipers, and nursing gowns. The Society distributed quilts to the poor villagers around the Campus during the chilly winter season. Quilts were distributed to the poor and needy who live around the campus, on December 11, 2018. The Society donates generously to Old Age Homes and orphanages. The President believes that a good human being will understand the sufferings of his brothers in the society and extend a helping hand to ease their pains and mitigate their sorrows as much as is possible.

Ex Crde

From the desk of **THE PRESIDENT**

I assess the progress of my Regents and Regency by the degree of progress each Regent has achieved, and I am happy to see the outcome always soaring. On this day I would certainly tell them and their parents and well wishers that having come this far we now ought to look far ahead of us so that our pace will never slacken. I do not promise anything now . My only duty is to work towards the expansion and betterment of the entity called Regency, so that more and more students can avail the benefits of education.

Regency is now an identity for each individual connected to her, and is a symbol of persistence and a landmark for those in quest of something, and the ultimate destination too for those who want to go far.

I wish all who shall browse through the pages of this magazine heartily, and pray for their good wishes in return.

M.F. Zaidi
