The Great Teacher

Teacher's Day

September 5, 2018

The celebrations started with the President of the Society, garlanding the portrait of Dr. Radhakrishnan, our second President of free India and an eminent educationist, philosopher and thinker. Students presented a song. Himanshu Verma spoke on the greatness of the Teacher. They presented a dance recital too. The revered President of the Society congratulated all the teachers for having chosen this noble profession. He urged them to obliterate the pall which enveloped the minds of youngsters and lead them to light, and spread it too. He asked the students to respect their teachers, for teachers are the ones who show them the right path as do their parents.

On to Social Responsibility

EYE HOSPITAL

SITAPUR September 10

Regency believes in the dictum that true education lies in serving society and being aware of the needs and pains of the weak and the suffering. A team of students from Class X with their teachers, Mr. S.H. Haidar and Ms. Lovely Singh went on a visit to the Eye Hospital in Sitapur. They went around the hospital with Mr. Vishwajit Dehure, the in charge, and distributed essential commodities like flour, rice, lentils and salt. Moreover the society donated 1 quintal flour, rice, lentils, salt and pepper too.

Students participated in the seminar on Eye Donation Campaign trying to understand the importance of eye donation . This really was a humanitarian move and a great source of inspiration for them and others.

Man depends on man's kindness. Come, let us embrace humanity with kindness.

AMITY UNIVERSITY

Workshop September 11, 2018

To Reach our goals

A workshop was held on Meeting Goals by the professors of Amity University. A team of four personnel guided and advised students of Classes XI and XII on the topic of the day. The resource persons were:

Mr. Samarth Pandey-Professor Business School, Head of the Team, Mr. Ayush Kumar Singh-Astt. Professor Engineering, Mr. S. Khalil-Deputy Director Market Promotions and Mr. Shivam- Executive Marketing spoke to the students on their goals and targets and the right direction on which to move and how. They emphasized on the need to have the right vision and select the right direction. Many times they lose track and are lost in the miry lanes for want of guidance.

This kind of workshop is useful for students who will have to find the right path, direction and goal.

To the District Hospital

September 12, 2018

On the 12th of September students of Class IX with their teachers Mr. S. H. Haidar and Ms. Lovely Singh visited the District Hospital. Dr. A.K. Agrawal took them around the hospital. Students met the patients and inquired about their health and hygiene, and Dr. Agarwal made them aware of the same. Students handed over to the Chief Medical Practitioner articles such as harpic, phenyle, wipers, table cloth, dettol, hand wash, and quinine. Our honourable President said that the Society is always eager and inspired to help society and humanity at large.

INDUSTRY INTERFACE

Bank is rich! and Banking?

The Commerce students of Class IX paid a visit to HDFC Bank with their teacher Mr. Yatish Kumar Singh. The Bank Manager Mr. Amit Singh welcomed them and enlightened them on the banking system. Students learnt the usefulness of opening accounts, taking loan, interests and savings. The President opined that students should learn about money and finances and anything fiscal by visiting financial institutes as banks. It is essential for Commerce students to go on such visits because industry interface will enhance their understanding and so increase their knowledge.

A VISIT TO THE

District Women's Hospital September 20, 2018
