

# CAMP FIRE

A campfire was built on the grounds adjacent to the RIMT Block. Tents were put up and games galore with plenty of fanfare the children from Classes 2 to 8 participated in glee. It started at 4:30 in the evening and continued through the night into the morning air of Sunday, 17 December. The overnight programme was enjoyed by the children. A handful of students from Edmonton were present too. Teachers on duty participated enthusiastically while performing their duties to look after the children. The radiating blazing fire kept the mercury level high and warm. Thus on that cold dreary December everything was bright. From spirits to nature around glowed with the warmth and the night became an event to talk about for days. Children enjoyed, particularly the rural ambience that was created for them. They took several rides on a bullock cart drawn by two bullocks. What fun they had. The smiles and chirpings from them indicated so. Various games were played in the tutelage of the teachers. There was tea and snacks for them in the evening. Dinner with poories, subzie and Chinese too made the dining table attractive, and the dinner delicious. They woke up in the morning to the bright sun shining even as the fire was slowly reducing to cinders but it still exuded warmth to bid a warm goodbye to the children as they left for home at about 9:00 after breakfast.

The Director of the Group of Institutions and the Principal of Regency were present throughout the function and partook in all the events with equal glee and zeal. In fact they were there from its inception and it turned out so well. Our Honourable President Sir and loving Treasurer Ma'am participated too and enjoyed every moment of it as long as they were present.

It was a welcoming note with fun, merriment, sanctity and happiness all for the coming of the Lord in our midst to uplift us. The celebrations are on with bells and bobtails and cakes and puddings and above all with zealous prayers to the Lord who died for our sake, so that sins may be forgiven. Children sang Christmas Carols and danced in gaiety.

### Republic Day January 26, 2024

Enjoy the break and dwell in the wholesome spirit of the cold foggy days, having nuts and hot drinks beside an Indian fire and sing of happiness and success. The day was very cold and the winter in particular was bitter and gloomy with foggy days, nights and skies. And the children and teachers were ready with the programme. The National Flag was unfurled by Our President Sir to the accompaniment of the National Anthem. Speeches were given by children in English and Hindi. A Nazm in Urdu was recited. President Sir spoke on the importance of Republic Day and the Constitution of our Country. Children put up a cultural show in between, through two dance recitals, a choir, and a play on the importance of Nationalism and patriotism
