

August 26, Saturday Blue House Day

Members of the Blue House celebrated with fond remembrance and fervor Blue House Day, consecrated to Mother Teresa, the patron of the House.

The programme started with the lighting of the lamp and garlanding the portrait of Mother Teresa by our Honourable President Sir.

The programme was replete with songs, dance numbers, and skits, which the Blue House members performed with zest much to the amusement of all present. Speeches in Urdu and in English were delivered by Divyanshi Shukla and Divyansh Trivedi.

The skit based on Mother Teresa's philanthropic activities touched the hearts of all present. A meaningful programme and a lot to learn from as was opined by our respected President Sir. Well done Blue House!
