

Our little Kiddies: At Station Road

Little ones have a field day
 Every Day
 From the first day
 There's plethora of activities
 A Hub of joy and learning
 A centre for growth
 Where meets the teacher and the tiny tots

**ACTIVITY
IS
LEARNING**

Since the start of the hallowed temple
 The little ones the first of her disciples
 Who trotted and then made their way
 From the first day
 To lead on the way
 To success and pray
 For a hallowed life
 And a meaningful one

**VIVACITY
IS
LIFE**

Every day
 Is a merry day
 It ushers learning, moral, and activity
 For Regency's mission
 Is to bring forth
 Children, the men and women of the future
 Who will be epitomes of beautiful life forever

**ART
IMITATES
LIFE**

Throughout smack the numbers.
 An exercise on Spellometer and on Vowels.
 An activity on Post office after a visit to the Post office.
 Then there's moral story activity and so active they become.
 Listening and telling and understanding.
 Come together towards learning.

**ALWAYS
ON THE
GO**
